MESSAGE

It gives me profound pleasure to know that the Arunachal Nursing Council (APNC) is launching its website on 25th October 2019 along with the inaugural function of Continuing Nursing Education. This is a proud moment for the Department of Health and Family Welfare, Govt. of Arunachal Pradesh in general and the Nursing Fraternity of the state in particular.

This is a laudable step in tune with the goal of " Digital India". In this age of digital communication, the websites have proved their significance in quick dissemination and sharing of information with all concerned.

I hope, the website of the APNC will run smoothly and provide satisfactory, up-to-date service to the nursing professionals, aspirants and all other information seekers.

I wish the event all success.
